

Our

Family

Meeting.

How our meetings go (the cliff's notes version):

1. We pray.
2. We ask, "What went well this week for our family? What we were good at?"
3. I write down everything that family members say.
4. We ask, "What would you like to see improved in our family?"
5. I write down what everyone says.
6. I read off the list and tell people they get to vote for three things.
7. Everyone votes.
8. The item with the most votes is the one we discuss.
9. We ask, (for example) "How do we want to make sure that we are all at breakfast each morning?"
10. We listen to ideas until we come up with a plan we all agree on.
11. Pray over what we agree to do together.

what were we good at this week?

what would we like to improve?

how are we going to improve one thing this week?
