

Your real life is beautiful... and ways to keep it that way.

IDEA # 1: Have a Snow Day...even if it's not snowing outside!

Cut out paper snowflakes.

(to make snowflakes: start off with a square piece of paper, fold it in half, then quarters, then eighths. now cut different shapes on each fold being careful to leave bits of the fold so the snowflake will stay together)

Make lots of different shapes and sizes.

Attach clear thread to each and hang from the ceiling.
It will make even January feel festive!

Just to make it feel like it's really snowing:

Gather the paper from your shredder & pretend it's snow.
Throw it wildly in the air, have a snowball fight,
Pretend to be cold enough for hot chocolate.
End your snow day with hot chocolate and baked cookies.
